organization of accompani-  
ment, many tri-city lovers of in-  
strumental music, those who have  
been for the local concert of  
the band have endeavored  
to fill the largest auditorium in  
the city in order that all  
may have seats. Tickets and re-  
sponses will be put on sale to-  
morrow, with an agency in each  
of the three cities. At the "Abie  
Crispin" in this city, seats will

The reason of John Philip Sousa  
and his world-famed band is suffi-

## HAMPTON

Mrs. Walter Ploog has a severe  
attack of inflammatory rheumatism.  
There was a dance at the town  
hall Saturday night.

Mr. and Mrs. G. A. Hall of Des  
Moines, Iowa, drove through to  
Hampton in an automobile, arriv-  
ing Friday to visit Mrs. Anna Adams  
and Mrs. Clara Holland, Mrs. Hall's  
grandmother and aunt. Mrs. Hall  
is a daughter of Oscar Bissell, for-  
merly chief of police in Moline.  
They left for Aledo Saturday at-  
tention.

At the residence of Mrs. Fleish-  
man, formerly owned by Paul  
Gardner, there are three large per-  
simmon trees, one of which has a  
crop of fruit now ripening. This  
fruit is very rare in this locality.  
There is another group of persim-  
mon trees in Hampton, but none of  
them bore fruit this year.

Plans are being laid to fit up  
Fischer's hall for an entertain-  
ment hall for the use of the young  
people of Hampton.

Frank Duncan of Blandinsville  
came to Hampton last Friday to  
see his daughter, Miss Gertrude Dun-  
can, who has been sick for several  
days, but is now improving.

A few scattering wild ducks are  
appearing on the river and we may  
look for the familiar allusion to  
"our local nimrods."

## All-Fat People

## Easily Reduce

The world owes a debt of gratitude to the  
inventor of the now famous Mermola Pre-  
paration, and is still more indebted for the  
relief of this harmless, effective remedy  
to tablet form. They are so con-  
venient to take, and as pleasant as candy,  
that each meal and at bedtime will  
reduce your weight. Two, three or  
four tablets a week, and leave no evil  
effects, such as loose, flabby skin and un-  
pleasant wrinkles. Just go on eating what  
you like, and have credit to the skin.  
The little tablet is directed and soon  
you will be your natural size, clothed in  
skin and trim muscles. Mermola  
Preparation Tablets may now be obtained  
from all druggists, or by writing direct to  
The Mermola Co., 57 Georgia Building,  
New York, and their reasonable price  
will allow for a good step toward  
reduction of the overfat body to  
normal proportions.

## PRENDERGAST LAUDS GRAHAM

Congressman From Fourteenth Dis-  
trict Commended for Sup-  
port of Arsenal.

Joseph E. Prendergast, formerly  
examiner in charge of the United  
States free employment service in  
Rock Island, in which capacity he  
was in charge of the demobilization  
of the war-time forces employed at  
the arsenal, has issued a statement  
commending Congressman William  
J. Graham, who is seeking reelec-  
tion from the Fourteenth district on  
the Republican ticket, and Harry  
Hall, representing the Second Iowa  
district, for their assistance and  
aid in upholding the rights of the  
local arsenal and its employees.

Mr. Prendergast says:  
"Immediately after the signing  
of the armistice, I was sent to the  
Rock Island arsenal, representing

the United States free employment  
service, handling the demobiliza-  
tion at the arsenal and I have had  
a very intimate knowledge of the  
operations at the Rock Island arse-  
nal place that then.

"I also accompanied a committee  
comprising the fraternal, business  
and employes' organization in the  
city of Rock Island and Davenport,  
and at the arsenal to Washing-  
ton in the spring of 1920, when  
the secretary of war was about to  
remove the leather and equipment  
shop from the arsenal. On every  
occasion I have found Congressman  
W. J. Graham and Harry E. Hall of  
the greatest assistance to me and  
to this committee.

"They have been active and very  
diligent in procuring appropriations  
in the continuance of the United  
States free employment service and  
in defending in every way the in-  
terests of the Rock Island arsenal  
and its employees.

"The arsenal never had more  
earnest and hard-working advoca-  
tes than these two members of  
congress.

"An attempt has been made in  
some quarters to create a contrary  
impression, and in common justice

to Mr. Graham and to Mr. Hall I  
am voluntarily making this state-  
ment, so that all of the present arse-  
nally employed as well as those for-  
merly employed there will know  
the real truth in reference to this  
matter.

"JOSEPH E. PRENDERGAST,  
Former Examiner in Charge U. S.  
Free Employment Service, Rock  
Island."

## High School Notes

Miss Jean Hantoon, representing  
the seniors, and Miss Ruth Miller,  
for the juniors, are urging all mem-  
bers of both classes to attend the  
junior-senior costume party to be  
held at the Manual Arts building  
Saturday evening. Ruling of the  
party is that no one may buy or  
rent a costume, but must either  
make or borrow the mask. Mask-  
ing is not necessary. Decorations

for the affair are to be of a Hal-  
lowe'en nature. James Berry, se-  
nior president, and Martin Dun-  
can, junior president, are in  
charge of the plans of the party.  
Falleys for the machines at the  
building of the local schools have  
arrived for the regular season of  
evening classes. The classes have  
been meeting, but the machines  
have not been complete. They will  
be ready for use by the first of next  
week. A large enrollment attended  
the night school last evening.
